Changes to Parking Reservations and Parking Perks Loyalty Program

Norfolk International Airport (ORF) is undertaking a multi-phased modernization program that includes significant improvements to enhance the airport experience and improve operational efficiency.

As construction progresses, ORF is suspending its prepaid parking reservations program and Parking Perks Loyalty Program effective Aug. 31, 2026. No new prepaid parking reservations will be accepted after this date; however, all existing reservations will be honored.

Members who have accrued Parking Perks Loyalty points will be contacted with more information.

A new reserved parking option will be available to the public at a later date.
