

NOTICE OF SOLE SOURCE AWARD

The Norfolk Airport Authority intends to award a contract on a sole source basis to Mobile Communications America, Inc. (MCA) for Motorola radio repair and related services.

The Authority has determined that Mobile Communications America, Inc. is the only source practicably available to provide the required Motorola radio repair services.

Procurement Information

Procurement Type: Sole Source

Contractor: Mobile Communications America, Inc.

Procurement Description: Motorola Radio Repair and Related Services

Contract Award: The contract will be awarded upon execution by the authorized representatives of the parties.

Contract Effective Date: Upon execution of the contract

This notice is issued pursuant to § 2.2-4303(E), Code of Virginia, which requires the Authority to provide written notice when a sole source procurement is determined to be practicably available from only one source.

The Norfolk Airport Authority reserves the right to cancel this procurement or take such other action as may be permitted by applicable law and Authority policy.
